# CAREER TREE

**Hriday Mittal**

Please upload a high-quality, well-lit headshot against a plain background for each of your team members.

# OVERVIEW

- **App Name:** (Career Tree)
- **App Description:** (App is about how to choose subjects and courses right in highschool and go further for any career targets)
- **Track:** (Youth Individual, Youth Team, Mixed Team)
- **Category:** (Education and Research)

# THEME

**In 100 words or less, describe the problem that you chose to address, and why you were interested in solving it. Please note that this portion of your submission will be published if you are selected as a finalist or winner.**

It is always a chaos to select subjects during grade 10, as we don't know which direction or profession we have to choose in future or how we shall reach in Airforce or National defence.

I am trying to create such and app to help anyone to select their goal at an early age.

# INSTRUCTIONS

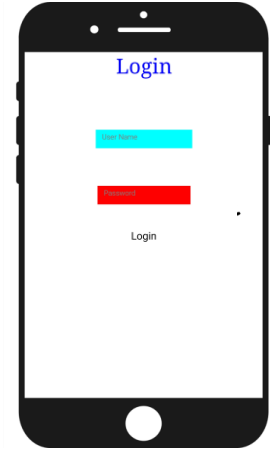

Please provide step-by-step instructions for using your app, along with high-quality screenshots of the app. Feel free to add as many slides as needed.

Step 1: (fill in description)

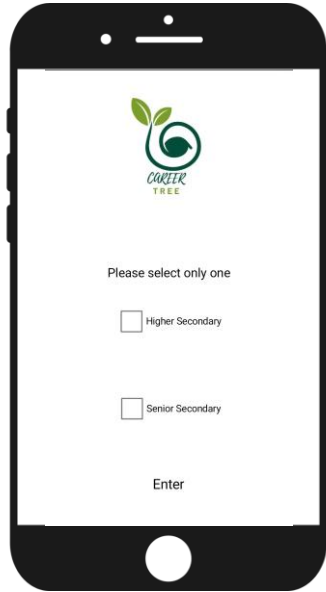

Step 2: (fill in description)

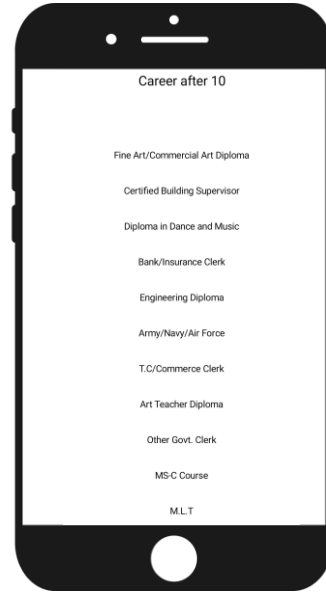

Step 3: (fill in description)

# LIMITATIONS

**In 100 words or less, describe the limitations of your app and what people should carefully consider when using it.**

No help assistant yet (future integration).

No Chatbot yet (time constraint).

Limited Screens due to restrictions.

# ACKNOWLEDGEMENTS

**Please list the names of anyone who helped you with developing your app, and describe what type of help they provided.**

- Mayank Mittal #1: ( Father always guide my paths)
- Darsh Agarwal #2: (Cousin helped streamlining my app)

# APPENDIX

If you have any supplementary information you wish to include, feel free to add it to the Appendix. **This section is entirely optional.**

It is recommended to add materials to the Appendix if you submitted a hardware project (e.g. with schematics, flow diagrams) or if your project included significant programming components outside of the MIT App Inventor platform.

Please be aware that judges reserve the right to exercise their discretion in reviewing materials within the Appendix, and they may not review its entirety if they consider it excessively lengthy.
