

ABILITY ART

Song Yihang, Huang Baishen Terence, Qi Haocheng

OVERVIEW

- **App Name:** Ability Art
- **App Description:** Encourage disabled people to draw. And then sell their artwork to the public to earn money.
- **Track:** Youth Team
- **Category:** Arts and Entertainment

THEME

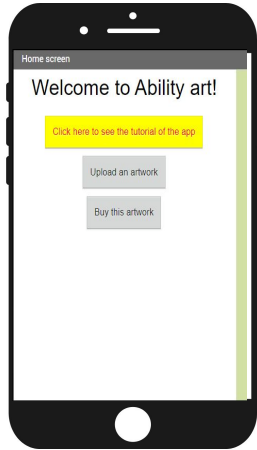

In 100 words or less, describe the problem that you chose to address, and why you were interested in solving it. Please note that this portion of your submission will be published if you are selected as a finalist or winner.

This App is to allow disabled people sell their artworks (if possible) and the money will be partially sent to charity. Then the disabled can use that money and can make a living. This App is beneficial to both the disabled people in need and the charities.

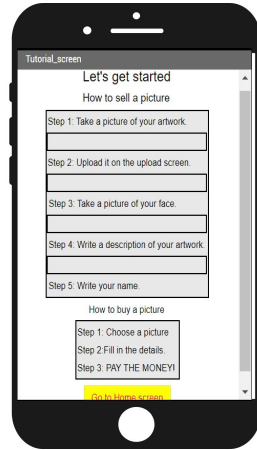

INSTRUCTIONS

Please provide step-by-step instructions for using your app, along with high-quality screenshots of the app. Feel free to add as many slides as needed.

Step 1: Part 1 , 2 and 3: (To go to the various screens)

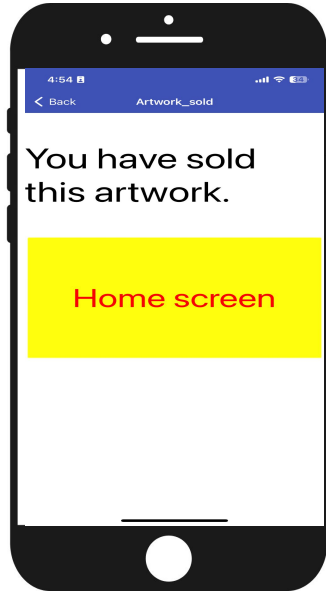

Step 2: Part 1: (Read the tutorial if you are new)

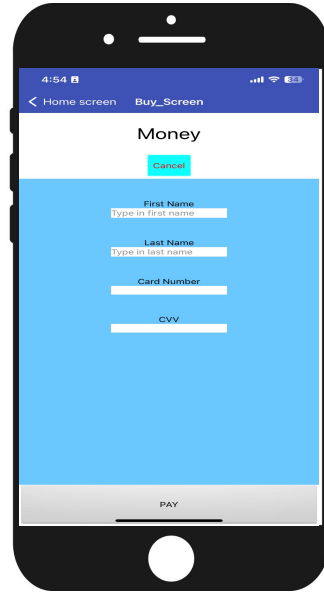

Step 2: Part 2(Upload a picture if you have one, then fill in the details.)

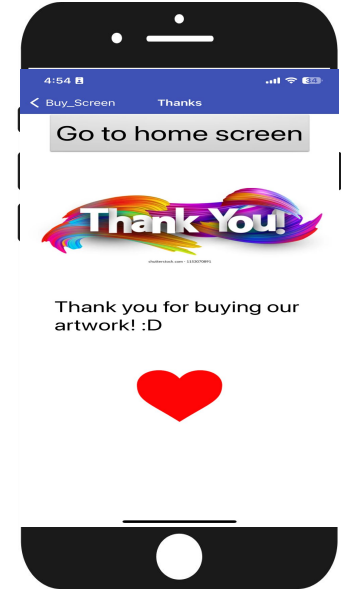

INSTRUCTIONS

Step 3: Part 2 (Thanks you for selling screen)

Step 2: Part 3 (Buy a artwork and fill in your personal information)

Step 3: Part 3(Thanks for buying)

LIMITATIONS

In 100 words or less, describe the limitations of your app and what people should carefully consider when using it.

Firstly, the user must not be blind, as there are buttons on the screen of the app. Secondly, the user needs to be able to interact with the app. Lastly, the user needs to be able to draw for him to have an artwork to upload.

ACKNOWLEDGEMENTS

Please list the names of anyone who helped you with developing your app, and describe what type of help they provided.

- Yihang: Team leader, Script writer
- Terence: Lead coder ,Slide maker
- Haocheng: Lead designer
- Teacher Benji: Our teacher
