

My app name is leaning
English

Overview

- My app name is learn speaking in English
- App description is about Education . Some of the Egyptian children cannot spell some English words so I created an app to make them know how to learn English

Theme

- Some Egyptian people doesnot have the money to learn English . And some people cannot speak or spell English words to learn so I made this project for people who want to spell English words

limitations

- People should focus to learn English and know how to spell the Words correctly and to say the word correctly
